# Our Why

## Bringing People Together

Bringing brewing back to the heart of Windsor was our dream. Now, we're proud to create vibrant spaces where people come together, connect, and celebrate good times- it's our reason why.

Come as you are and pull up a chair, because at any of our bars, you're always in good company. WE believe the best times are had when we come together over a great brew, cocktail, conversation or simply sitting side by side soaking up the atmosphere.

With the welcoming team behind the bar and inviting ambience, WE want you to feel at home when you come into our bar. And whether you're after one of our popular craft ales, a classic cocktail, tasty bite, or a flat white, WE can deliver. WE also host live music, open mic nights, and charity events where the locals can gather together and feel the community spirit.
